Number of children

About You as a Carer

People were asked to identify what made them decide to become a Foster or Kinship Carer.

Reason for Discontinuing as a Foster/Kinship Carer

People undertaking the survey were asked to provide the reason why they decided to stop being carers. They are provided with four options then asked to elaborate in relation to the option that they have selected.

Main Reason for Discontinuing as a Carer

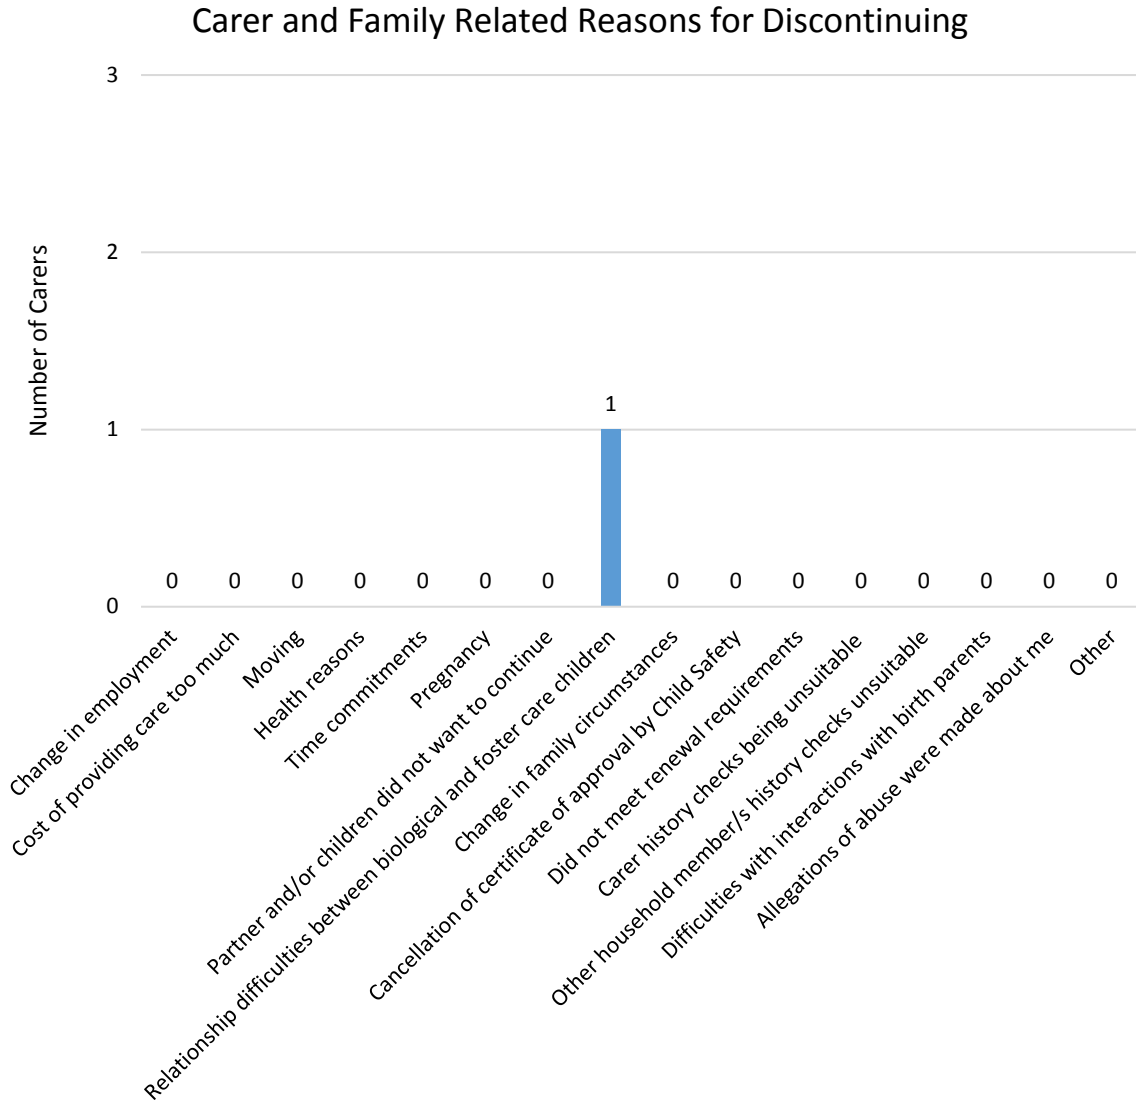

The following information will be specific to the reason that has been provided in this question. If the respondents answered that they ceased being carers due to child related reasons, they are asked to expand on the reasons, as follows.

Child Related Reasons for Discontinuing

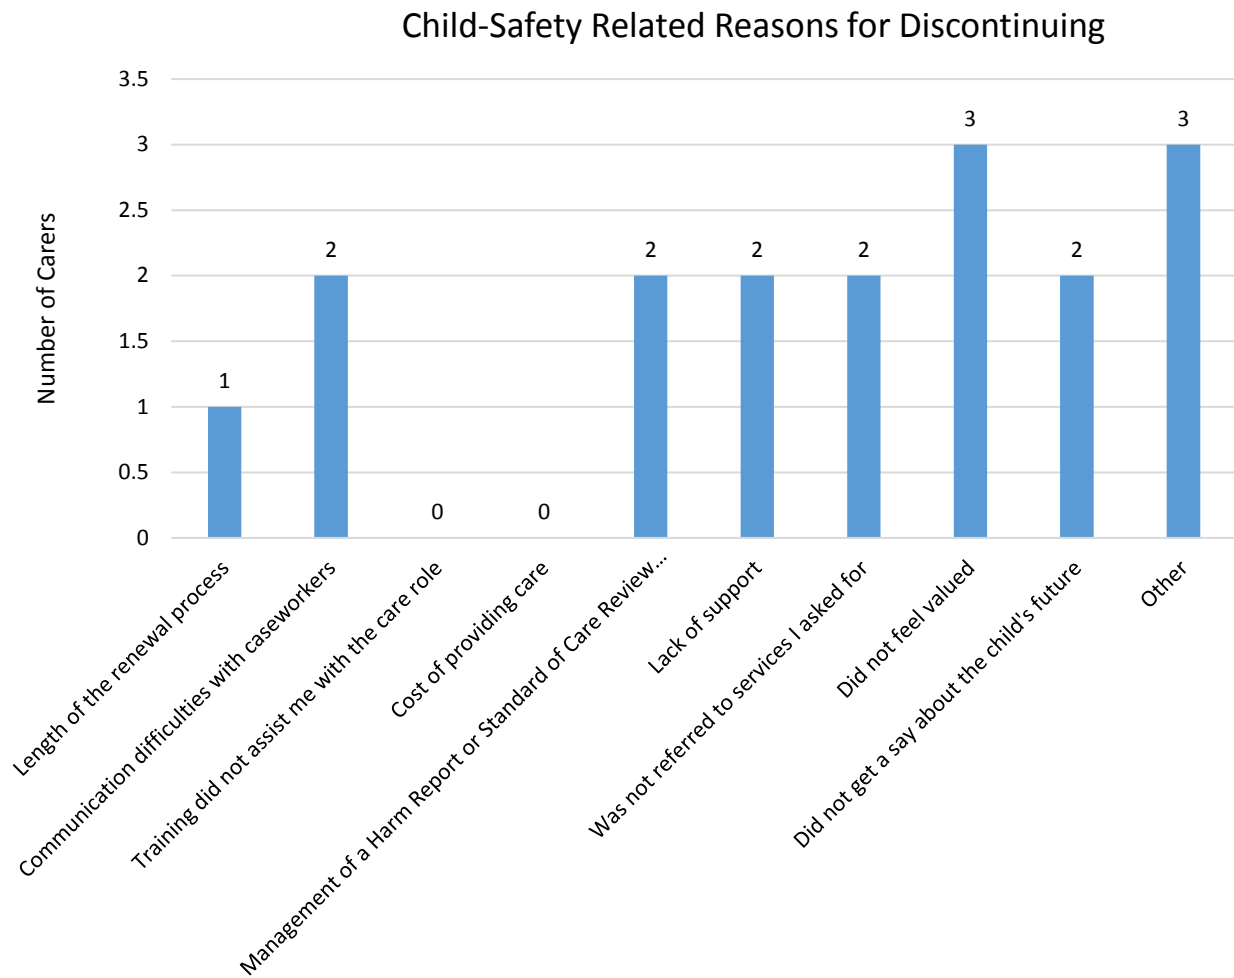

000

- Placement ended-child turned 18
- Behavioural difficulties were too much
- Placement ended-child returned to parents
- Complexity of issues (medical needs, psychological trauma etc)
- Placement ended-other

For people who stated that they ceased caring due to carer and family reasons, they were asked to expand on their response.

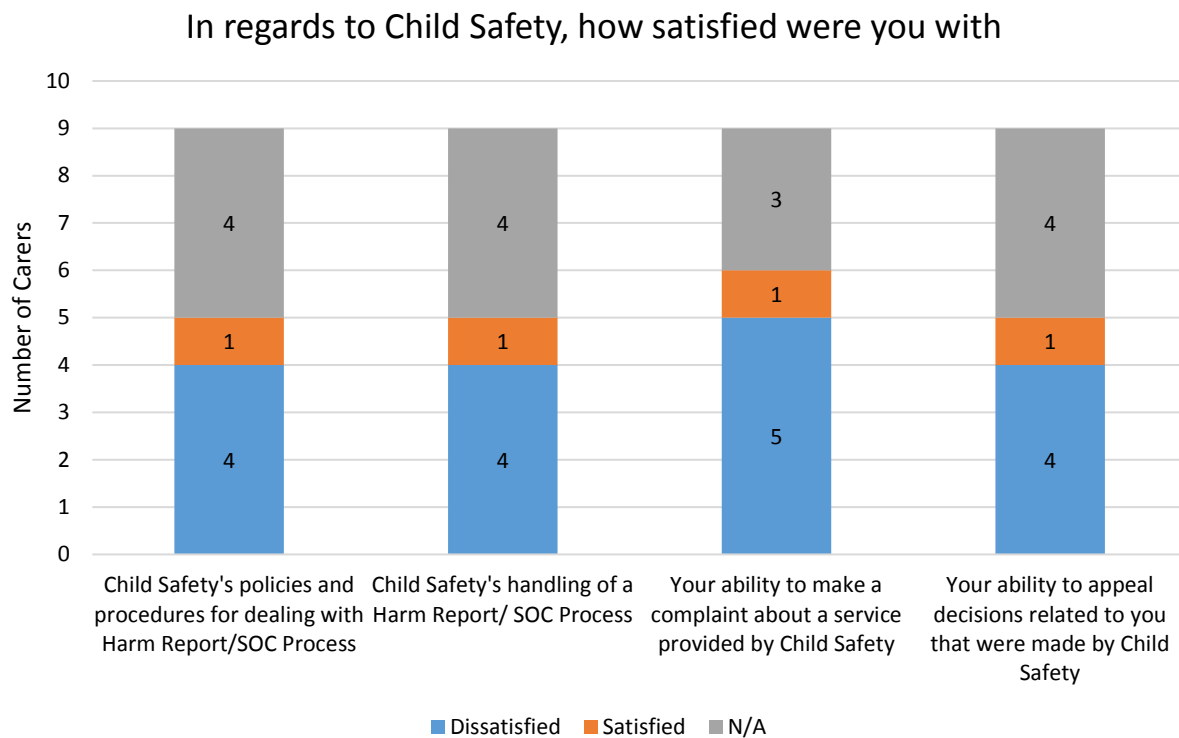

For people who stated that they ceased caring due to child- safety related reasons, they were asked to expand on their response.

Child-Safety Satisfaction

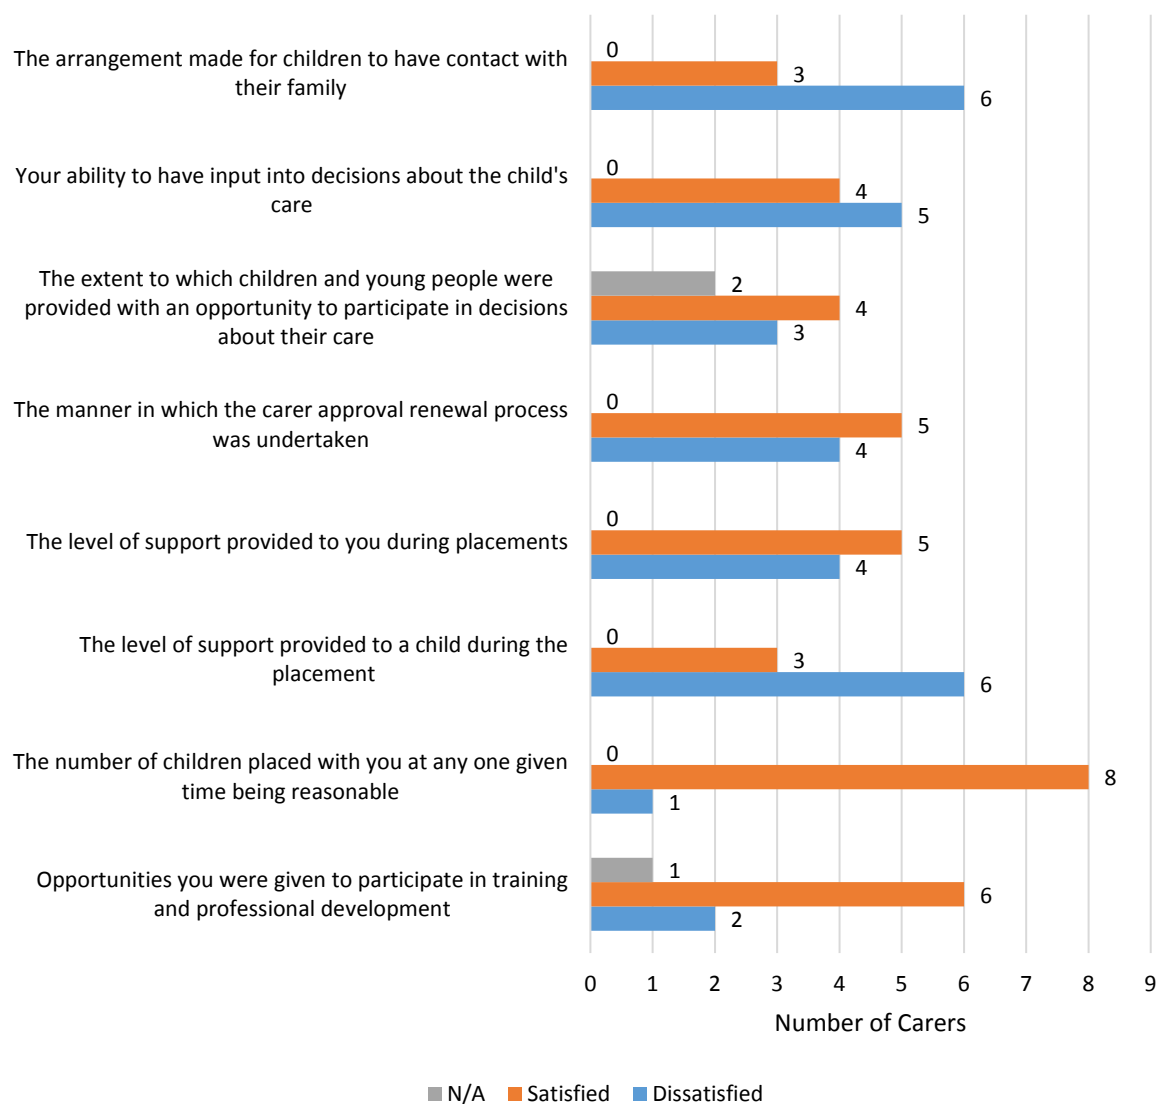

People undertaking the surveys were asked to provide feedback on their satisfaction with different elements of their involvement with the Department of Child Safety.

The Experience of Caring

Carers were asked a range of questions on their satisfaction level related to their overall caring experience. They were further asked to respond to questions around communication, contact, support, financial support, training and professional development. The following responses were provided.
